

# Creative Leadership

A FourSight® Training Program

مؤسسة الكويت للتقدم العلمي  
Kuwait Foundation for the Advancement of Sciences

# Course Overview

The greatest influence on an organization's climate for innovation is the behavior of its leaders. This course focuses 3 days on the requisite skills, behaviors and attitudes that enhance personal leadership and fosters cultures where ideas and people flourish. Participants learn what cues and signals they are projecting and how to increase their personal ability to motivate, influence and engage others. The workshop examines leaders' attitudes about risk, experimentation, cooperation and follow through critical to spurring innovation, greater teamwork and results. Participants gain valuable practice, coaching and feedback and emerge as cultivators of creative behaviors in themselves and others.

"FourSight helped us collectively apply our very diverse creative styles to accomplish our goals more effectively than we ever could have done individually. We were able to harness the creative power of our organization."

**President, West Valley Nuclear Services Company**

"I can see myself using these tools in the future for all kinds of issues because they are simple, but very powerful. Nothing I have ever used in business school or in a Fortune 500 company has approached the usefulness of this."

**Manager, Xerox Corporation**

"The net payoff of using FourSight and the accompanying tools is increased capacity for individuals and teams tasked with solving complex organizational challenges."

**Manager, Center for Creative Leadership**
